# GENERAL Information

## PRICES

The pricing details provided in this brochure are per person and are based on double occupancy, requiring at least two adults to share accommodations. Children aged 11 and under, travelling with two full fare paying adults, have a discounted rate. Infants under 23 months old will be charged an additional fee for a coach seat. For solo travellers, a "Single Supplement" fee applies. Please note that age calculations are based on the return date of the journey.

## HOTELS

Star Tours diligently selects accommodations that adhere to a minimum of a 3-star rating based on national standards unless otherwise noted. These accommodations come equipped with standard amenities including en-suite bathrooms and a television. Rooms around Europe offer a more compact living space compared to other global regions. Guests should be aware that baby cots are unavailable. Furthermore, a significant number of these establishments do not feature air conditioning, elevators, or tea-making facilities, recommending that guests carry a portable kettle for their convenience. It is pertinent to note that our hotels are strategically situated outside the city centre. For guests booking triple rooms, in the UK and Europe, be prepared for smaller spaces. In some instances, accommodation may comprise one double and one single room rather than a traditional triple room, ensuring space for three guests but not a predetermined bed configuration. Triple or double rooms with a child bed option typically feature a standard double room equipped with a sofa bed, not offering additional space. Please set your expectations accordingly.

## ROOM CONFIGURATION

Most hotels accommodate up to three individuals per room. For families of four, comprising two adults and two children, one child will be provided with an extra bed, either a sofa or a roll-away bed, while the other shares the existing bedding. Note that:

- Extra beds are designed for single occupancy and are not full-sized double beds.
- In EU hotels, double beds often comprise two adjoining single beds.
- Scottish hotel rooms tend to have moderate dimensions, potentially reducing walkable space in the event of setting up a sofa bed in triple rooms.

Should your party include one adult and one child, the child will incur an adult fare to offset the room cost, which is predicated on double adult occupancy. Please plan accordingly. (Please see below).

\*For Example: if tour cost was - Adult \$ 100 / Child \$ 50.

YOUR FAMILY	WHAT YOU PAY	TOTAL	ROOMS
1 Adult + 1 Child	\$ 100 + \$ 100	\$ 200	1
2 Adults + 1 Child	\$ 100 + \$ 100 + \$ 50	\$ 250	1
2 Adults + 2 Children	\$ 100 + \$ 100 + \$ 50 + \$ 50*	\$ 300	1
2 Adults + 3 Children	You will have to pay for either a single supplement for your third child; otherwise, two of the children will have to upgrade to pay adult fares. You will receive two rooms.		

\*If a quad room is unavailable, a reduction as mentioned in the tour itinerary will apply. Note that such rooms have limited space and may not be suitable for taller adults.

## SINGLE TRAVELLERS

Individuals travelling alone will incur the standard adult fare in addition to a single supplement fee. Please note that Star Tours cannot facilitate room sharing arrangements with other passengers.

## CHANNEL CROSSINGS

In 2024, our coach tours will primarily operate through channel crossing routes originating from Dover, Calais, and Dunkirk, in addition to limited departures via Eurotunnel services from Folkestone. Star Tours retains the authority to divert tours to alternate ports as needed. Passengers must secure and accurately complete any required landing cards. Given the potential for extended waiting periods post-Brexit, both at and en route to the ports, we advise bringing along water and snacks.

## TOUR REPRESENTATIVES

Our escorted tours are overseen by a dedicated Tour Rep or Driver to address any needs during your journey. Please note that they might join you at a point after the initial pickup. During flight or rail segments of the itinerary, passengers will be unaccompanied but will meet a tour representative at the specified arrival destination. A tour confirmation will be emailed to you one day before departure, outlining your pickup and hotel details, but excluding the contact information of the tour manager. This will only be shared once you join the tour. For flight tours, this communication will additionally encompass meeting point and terminal information. It is suggested that at least one person in each group should have a reachable mobile number to ensure smooth coordination. The tours will primarily be conducted in English during EU tours. Following the last sightseeing activity, the tour manager may leave the group and hand over the responsibility to our experienced drivers to ensure the group's safe return to England.

## CHANGING THE ITINERARY & TIMEKEEPING

Please note that during the tour, the tour rep reserves the right to modify the itinerary as they deem fit. These changes are usually due to unexpected delays or major local events that can often arise. Whilst travelling on organized group tours, adhering to timings given by the tour rep is very important. All our tours are subject to governance by DVSA for driving hours; hence it is the passenger's responsibility to ensure all departure times are adhered to. Star Tours will not take responsibility for passengers left behind due to not adhering to itineraries and times stated by the tour rep for whatsoever reason, and any subsequent impact this may cause financially or non-financially. It is a passenger's responsibility to ensure that they are clear in understanding the departure time from any given point.

Please be aware that itineraries, especially for flight tours, may undergo changes. For the most up-to-date itinerary details, please visit our website.

Additionally, please note that on specific departure dates, tour routing may be subject to modification. In some cases, the tour may operate in reverse itinerary order. Rest assured, no sight-seeing or excursions mentioned in the itinerary will be missed unless due to holiday closures. We recommend confirming the itinerary status before booking your flights.

## COACHES & TRANSPORTATION

Our coaches are equipped with amenities including a TV, DVD or CD player, and air cooling systems, with most also offering emergency toilet facilities, to be used sparingly. However, be advised that coaches on flight tours, and occasionally in other instances, may not have toilet facilities. For certain transfers, denoted as UKNL, UKSH, EUDL/D, SWGP/D, SPLE, and HDTS, alternative transport without these amenities might be utilized. Smaller transfer vehicles will not have WC. Not all seats will have reclining facilities.

To ensure a comfortable journey for everyone, we maintain a strict no-smoking policy, which extends to e-cigarettes and vaporizers, and prohibit alcohol consumption on all coaches. You will only be allowed to consume water and dry snacks on the coach. Coaches will not have Wi-Fi or charging points. Some coaches have USB charging points on all seats.

## DISTANCES & JOURNEYS

During touring holidays, long journeys between cities are inevitable given the extensive distances in Europe. We encourage passengers to dress comfortably and be prepared to spend a significant portion of the day on the coach. To enhance your travel experience, it is wise to have essentials such as water, dry snacks, tissues, and medication readily accessible in your hand luggage.

## CURRENCY

We advise passengers to obtain the necessary currency before the tour commences. It might be difficult to facilitate currency exchange during the tour and the availability of ATMs or card payment options can be restricted in some areas. Keeping EURO change handy is recommended, as it may be required for accessing toilet facilities in several European regions. For the majority of Europe, Euros will be acceptable; however, for your stay in Switzerland, we highly recommend securing Swiss Francs. UK tours will require Pounds Sterling.

## CHILDREN & YOUNG INFANTS

For families travelling with infants under two years, an infant fare will be applied, with an additional nominal supplement for flight tours. Star Tours advises parents to bring their own coach-compatible booster seats, as these are not provided by us. We recommend that you carry ready-to-use baby milk and food, since these items are not available at the hotels or restaurants during the tour. Considering that not all hotels are equipped with kettles, it is wise to bring a bottle warmer or kettle for heating water as necessary. For storage in the coach's baggage lockers, pushchairs / strollers must be foldable. In the interest of safety, children are not permitted to occupy seats near the front of the coach.

## BAGGAGE

Star Tours offers a luggage handling service where our driver assists with loading and unloading one suitcase per person, adhering to a 23kg weight limit and dimensions of 90 x 75 x 43cm. Additionally, passengers may have one hand luggage not exceeding 5kg and with a maximum size of 20 x 20 x 48 cm. Passengers are responsible for transporting their luggage to and from the coach and their hotel room, some hotels may not have lifts. Luggage stored in coach lockers will only be accessible at the hotel or final stop. Please note, exceeding the luggage allowance will incur a daily fee of \$ 15 per bag, and all luggage is stored at the owner's risk. Star Tours is not responsible for any luggage loss or damage.

## WEATHER

Weather in Western Europe can be unpredictable, resembling the climate in England. We recommend carrying a small umbrella year-round and checking the average temperatures for your destination online to pack appropriate clothing and footwear. Be prepared for evening sightseeing as well.

## CLOTHING & ACCESSORIES

In the summer months, light attire complemented with a jacket or sweater for cooler evenings is recommended. Carry waterproof jackets or umbrellas for sudden downpours. Adding to your packing list, consider sun hats, cooling mist sprays, and sun protection creams for sunny days. Adequate footwear for the planned itinerary is essential. Equip yourself with travel adapters for charging electronic devices, owing to varying socket standards abroad. You might also find it beneficial to bring along a compact travel iron, hair-dryer, or kettle, as not all hotels offer these amenities.

## LOST PROPERTY & THEFTS

Passengers are responsible for their belongings' safety. If something is left behind, contact the relevant supplier for assistance. In case of theft, promptly inform the tour representative and report the incident to local authorities for a police report or crime reference number. To minimize risks, avoid carrying unnecessary valuables and remain vigilant, particularly in tourist areas susceptible to pickpockets. Comprehensive travel insurance, including for EU citizens, is highly recommended. Please note that Star Tours cannot retrieve lost items on behalf of passengers or transport property across international borders, regardless of authorization.

## WHEELCHAIRS

Star Tours does not provide specialist tours for the individuals with mobility challenges, we make every effort to accommodate them to the best of our ability. Mobility aids such as walking aids and manually collapsible wheelchairs can also be stored in the baggage lockers; Bear in mind that they will need to be collapsible. Electric wheelchairs cannot be stored on any of our coaches. The driver assists with loading and unloading the wheelchair, but passengers must be physically capable of boarding and disembarking the coach independently.

## SEATING ALLOCATION

We do not accept seating requests for any reason, including medical or personal needs. Seat assignments are primarily based on booking numbers, with exceptions due to factors like group size, coach capacity, safety regulations, logistics, and other considerations. Specific seat guarantees are not provided, and seat assignments are subject to change, even if communicated in writing or otherwise. Tour representatives will provide seat numbers only on the day of departure. Our sales team cannot take requests, nor can they give you an indication of your seat number. Families with children will not be seated at the front of the coach, regardless of early bookings. Passengers with different booking reference numbers who wish to sit together must inform Star Tours during the booking process, this cannot be done at a later stage.

## EARLY BIRD OFFERS

Early Bird Offers are contingent upon the inclusion of a minimum deposit payment within your booking. It is essential to note that these offers are not applicable when a surcharge is levied on the listed brochure price or if there are modifications to the tour itinerary. Furthermore, Early Bird Offers are not extended to infant travellers. These offers cannot be utilised in conjunction with any other ongoing promotions or voucher-based discounts.

In cases where an Early Bird offer incorporates complimentary hotel accommodation, please consider the following conditions: Accommodations will meet a minimum 3-star standard and will be situated in Wembley or its vicinity. Hotel location may be subject to change based on availability and logistics.

It is important to acknowledge that hotel assignments may differ among bookings, and there is no guarantee that individuals travelling together will be placed in the same hotel. Room allocations will adhere to the primary booking arrangement.

## FOOD

Our dining offerings include a continental breakfast comprising an assortment of breads, cereals, juices, fruits, hot beverages, and milk.

Passengers are provided the option to select from either vegetarian or non-vegetarian lunches and dinners, with Jain/Halal choices available wherever feasible. To ensure we cater to your dietary preferences, we kindly request passengers to communicate their meal preferences at the time of booking. Furthermore, we encourage passengers to inform us of any food allergies during the booking process. However, it's important to note that we cannot guarantee special accommodations for allergies or specific dietary requests, such as Halal or Jain meals. Passengers with severe food allergies or strict dietary requirements are advised to make suitable arrangements prior to embarking on their tour. Please be aware that tap water is the only beverage provided during meals. Our meals are typically presented in a pre-set buffet style, and individual menu selections are not available. In certain instances, meals are hosted at restaurants or hotels, featuring a set menu served in buffet style, accompanied by tap water exclusively. Lunches are exclusively vegetarian and are served in outdoor settings at service stations or rest areas, where seating may be limited or unavailable. Lunch arrangements follow a picnic-style buffet format. On select days, Star Tours may furnish packed lunches or dinners tailored to the itinerary of a specific tour. Dinner services are typically conducted within hotel or restaurant premises, within separate dining facilities. Please note that preferential seating is not offered during mealtimes, and assigned seating applies. In the unlikely event that Star Tours is unable to provide a meal, passengers will receive an allocation of 9 Euros for lunch and 12 Euros for dinner during European coach tours. Kindly understand that we retain the right to amend meal arrangements should unforeseen circumstances necessitate such changes.

## EXCURSIONS

Please note that, due to high visitor volumes, waiting times of up to 4 hours may occur. These waiting times are subject to change at the discretion of management, particularly in cases of exceptional events, adverse weather conditions, high visitor numbers or Force Majeure events. Access to excursions and monuments is contingent on the type of ticket purchased, and once you exit, re-entry is not permitted. Refunds will not be issued in cases of restricted access due to inclement weather or decisions by Public Authorities. Tickets are valid for immediate entry and cannot be reimbursed in cases of loss or theft. Some excursions may limit access due to capacity constraints. The Eiffel Tower will have extensive queues as tickets cannot be purchased in advance by us.

## ADDITIONAL EXCURSIONS

Our itineraries are thoughtfully designed to provide comprehensive holiday experiences at competitive rates. Occasionally, our tour representatives and drivers may offer optional excursions to enhance your journey. These excursions are priced separately and must be paid in cash to the tour representative before departure. Passengers have the option to decline these additional excursions, which are subject to availability and logistical feasibility. We cannot guarantee their availability on every tour.

## PICK UP AND DROP OFF POINTS & TIMES

Timings provided in our brochure and on our website are for reference purposes. Some pick-up points may require a supplement charge based on minimum passenger numbers. Passengers should arrive 15 minutes before departure, as

latecomers must arrange their own transportation to catch up with the group; refunds for missed connections are not available. Return journeys from the continent typically arrive in Dover between 20:00hrs and 21:00hrs. We then proceed to the original London pick-up points, with an expected arrival time between 22:45hrs and 01:00hrs +1. These times are approximate and subject to change due to traffic, border conditions, and road conditions.

## DIETARY, ROOM ALLOCATION & OTHER REQUESTS

When arranging holidays, Star Tours frequently collaborates with intermediary agents, such as airlines, hotels, transport companies, and other suppliers. Passengers with specific requests related to services provided by these intermediaries, such as rooming preferences, seating requests, or special meal requests, should inform Star Tours at the time of booking. We will make every effort to communicate these requests to the relevant intermediary. However, it's important to understand that Star Tours cannot guarantee the fulfillment of these requests, and passengers should independently confirm their requests with the respective intermediary before departure.

## FARAWAY TOURS

Our Faraway Tours are facilitated by local ground operators who manage all details within various destinations. Typically, these tours can proceed with as few as two to four confirmed travellers, potentially without the presence of a dedicated group or tour representative. Instead, you will have local contacts available for emergencies and inquiries during your tour. These local ground agents will not be continuously present with your group. While most sightseeing excursions will be guided by local agents, you may also have free time to explore destinations independently. Seat allocation is not assigned on these tours; passengers will be accommodated within the vehicle based on available seats. Sightseeing tours may involve passengers from groups not booked through Star Tours. Meals will be provided at select restaurants or during excursions, with restaurants conveniently located within walking distance from your hotels. Passengers will have flexibility in attending meals at their leisure.

## CUSTOMS & IMMIGRATION DELAYS/ ENQUIRIES

Star Tours cannot assume responsibility if passengers encounter delays or are detained by government departments such as the Police, Customs, Immigration, or other authorities in the destination country.

**3.1 PRICING AND ADJUSTMENTS:** Your holiday's cost is as indicated on our website or in your booking invoice, aside from potential errors. Although we hold the right to modify the prices at any moment, these alterations will not officially affect the bookings we have already acknowledged.

However, after the confirmation of your booking, there might be a change in the holiday price due to fluctuations in:

- (a) Transportation expenses, which encompass fuel price variations
- (b) Government-imposed dues, taxes, or other fees like landing or port charges
- (c) Current exchange rates affecting your holiday package
- (d) A notable increase in any component of the tour, such as accommodation, entry fees, flights or meals.

We maintain the right to correct any pricing errors on our platforms and reservations made at an incorrect price.

**3.2 SIGNIFICANT PRICE INCREASES:** If the holiday price increases by more than 10%, you have the option to cancel your booking and receive a full refund. To do this, you must notify us within seven days of receiving the notification of the price increase, and we will refund the total amount paid to us for your booking.

**3.3 APPLICABILITY OF OFFERS AND DISCOUNTS:** Early Bird offers and other discounts are valid when both the land arrangements and flight components of the tour align with the initially quoted tour price, without the addition of any surcharges for flights or hotels. These discounts are available for unmodified tours and can be withdrawn at any time without notice.

**3.4 BREAKDOWN OF COSTS:** We are not obligated to provide a detailed breakdown of the individual costs involved in your holiday package.

**3.5 REFUND POLICY FOR CANCELLED OR RESTRICTED EXCURSIONS:** In cases where excursions are cancelled or restricted due to unforeseen circumstances including national or public holidays in the destination country, we will offer clients a refund equal to the difference between the ticket price

and our contracted rate. This applies even when the child fare was adjusted to meet room requirements; refunds will be based on the child's true age. Infants and children may sometimes be ineligible for this refund.

**3.6 DYNAMIC PRICING POLICY:** Star Tours employs a dynamic pricing policy, meaning that tour prices may fluctuate due to various factors including service availability or the addition of new services. The price confirmed at the time of your booking is final; we cannot adjust it to match any previously seen prices. Please note that our website will always display the most current pricing, as brochures may be published several months in advance and may not reflect the latest updates.

### 4. IF YOU CHANGE YOUR BOOKING

\*Note: When downgrading a tour, the payment must be settled in full at the time of the alteration, treating it as a final modification. Downgrades are limited to a three-day tour option and are non-negotiable beyond this. This option is not extended to tours spanning 2 days or fewer, UK Tours, or services from our affiliate partners.

**4.2 The cancellation policies for One Day tours managed by Star Tours Ltd align with those stated in Clause 5.1 pertaining to Coach Tours.** Modifications to name or date can be availed up to 7 days before departure upon presenting a written notice; this will incur an administrative charge of £15/\$25 per person.

**4.3 A cap of two amendments per booking has been established.** The fee structure will be employed for each change, subject to approval. Regrettably, requests exceeding two alterations cannot be taken.

**4.4 In the event you want to substitute a passenger post confirmation,** Star Tours is not to find a substitute for the departing member.

**4.5 Altering and then reverting to the initial booking will be perceived as change(s),** for which no refunds, discounts or compensations can be pursued.

**4.6 All passengers in a booking, including those in conjunction with bookings, must adhere to the same pickup and drop-off locations.** Changes to these locations can be requested up to 10 days before departure (21 days for bank and national holidays), subject to our approval. Note that changes within 10 days of departure may not be accommodated. If the change can be made, then a \$20 per person administrative fee will be applied. Pickup and drop-off locations will be confirmed 24 hours before departure based on availability.

**4.7 For Flight Tours and FIT Tours,** any amendments including name or date changes made more than 6 weeks prior to the departure date will incur a fee of £100 per person. Within 6 weeks of the departure, no changes can be made. These amendments will also be governed by the cancellation policies stated in clause 5.1 of these guidelines. Please note that changes cannot be made to bookings where flight tickets have been issued for visa purposes.

**4.8 Please be advised that any alterations will nullify previously applied discounts, offers, or deals rendered at the initial booking stage.**

**NOTE:** Certain travel arrangements (such as Apex / No-frills airline tickets) may be immune to changes post-reservation, potentially triggering a cancellation charge of up to 100% for that segment or the entirety of the arrangements.

- Non-compliance with the outlined payment schedule for the tour
- Visa denials for any of the countries included in the tour itinerary
- Inability to travel due to various reasons such as medical conditions, death, or jury service (contact us for a comprehensive list).

5.3 RE-BOOKING FOLLOWING A CANCELLATION: If you choose to cancel a holiday and then re-book, the terms stipulated in the cancellation section of these booking conditions will be applied.

## 6. BOOKINGS MADE ONLINE

6.1 PROVISIONAL BOOKINGS: Bookings initiated through our web portal are provisional until Star Tours officially confirms them through issuing a final confirmation invoice. Please note that a payment made at the booking time does not assure the booking confirmation.

6.2 BOOKING REVIEW AND ACCURACY CHECK: Star Tours reserves the right to review all online bookings for accuracy before confirming the requested services. If any part of your booking, including but not limited to room preferences, seating arrangements, or pick up point selection, violates our terms and conditions or published information, we may decline the booking. In such cases, we will contact you to address the discrepancies, allowing you to either modify your booking according to the prevailing policies and prices or cancel your provisional booking. Please Note that the online booking system may sometimes allow selections that are subject to our approval and are contrary to our policies.

6.3 PAYMENT DETAILS: All payments made via the online booking portal must be in UK Sterling. If you opt to pay with a non-UK bank debit/credit card or a FOREX/Pre-paid card, be aware that you will bear any surcharges/fees levied by your issuing bank or building society, in addition to a 2%. Transactions made with Business or Corporate cards will incur a 4% surcharge.

6.4 RESPONSIBILITY FOR BOOKING DETAILS: You are responsible for verifying that all details are accurate before finalising your booking with a payment. Should any changes be necessary post-confirmation, they will be subject to the cancellation or change fees outlined in clauses 4 and 5 of these terms and conditions.

## 7. IF WE CHANGE YOUR HOLIDAY

7.1 GENERAL MODIFICATIONS: We reserve the right to make necessary alterations to your holiday arrangements at any time. Suppose we are unable to provide the booked travel arrangements or a similar alternative, in that case, you have the option to either receive a complete refund of all monies paid or accept an offer of alternative travel arrangements of a comparable standard, if available. In line with EU regulations, we are obliged to disclose the actual carrier orchestrating your flight/transfer.

7.2 MINOR ADJUSTMENTS: Minor alterations to your holiday, such as adjustments to travel times, excursions, departure and return points, transportation mode to a significant joining point, short-term changes in accommodation standard, or non-significant itinerary amendments, will not entitle you to any compensation.

7.2 (a) Dover pickups are conditional upon ferry services departing from the Dover Port and are not guaranteed. You may initially choose Dover; however, if unavailable, you will be required to modify your pickup location, with no liabilities falling on Star Tours for any associated costs. This will only be confirmed a few days prior to departure.

7.2 (b) Calais pickups are conditional upon ferry services arriving into the Port of Calais and are not guaranteed. You may initially choose Calais; however, if unavailable, you will be required to modify your pickup location, to Dunkirk, with no liabilities falling on Star Tours for any associated costs. This will only be confirmed a few days prior to departure.

7.2 (c) If utilising an external pickup service, transportation to the coach boarding point may be facilitated through a variety of vehicles including private cars or minibuses. Note that return services might have a waiting period up to 90 minutes for a connecting coach.

7.2 (d) We reserve the right to alter external pickup timings at our discretion. This will be notified to you within 24 hours of departure only.

7.3 SIGNIFICANT ALTERATIONS: In the event of substantial changes to your holiday, such as altering your UK airport (excluding transitions between recognized London airports) or modifying your departure/return time by over 12 hours, we will notify you promptly. Subsequently, you may either accept the modified holiday arrangement, choose a different holiday option (with a refund for any price difference), or cancel your booking.

7.4 CANCELLATION FOLLOWING MAJOR CHANGES: Suppose you choose to cancel your booking owing to a significant change. In that case, we will refund all amounts paid towards services exclusively offered by us, with no compensation covering other bookings or potential losses arising from the change.

7.5 LIMITATIONS ON COMPENSATION: We are not obliged to offer compensation for either minor or substantial changes, including, but not limited to:

7.5 (a) The cancellation of tours resulting in additional costs for services booked separately.

7.5 (b) Events unforeseen or beyond our control, encompassing natural disasters, political unrest, or transportation disruptions, which could not be averted despite exercising all necessary precautions.

7.6 EXCURSION CANCELLATIONS: In circumstances characterised by unusual or unforeseeable conditions, including national or public holidays in the visited country necessitating the cancellation/restriction of an excursion, we will provide reimbursement options at our contracted rate only. These options may vary depending on individual circumstances and may not extend to infants and children.

7.7 EVENTS AND FESTIVALS: Due to occurrences such as trade fairs, exhibitions, and national holidays, there might be a necessity to alter the designated hotels and locations. Despite our efforts to avoid these situations, any changes necessitated by such events will not be valid grounds for grievances either during or after the tour.

7.8 CHANGES DURING THE 2024 PARIS OLYMPICS: During the 2024 Paris Olympics, we anticipate that there may be substantial and sudden alterations to the itinerary without advance notice. Sightseeing experiences may be impacted; specific landmarks might be inaccessible due to events taking place, necessitating replacements that may not be communicated in advance. The routing of tours within Paris will comply with local restrictions in place at that time. Please be advised that delays encountered, or sightings missing owing to traffic disruptions or road closures will not be eligible for reimbursement during the Olympics period in Paris. It is encouraged to remain flexible with the tour arrangements during this globally recognised event to ensure a smooth and enjoyable experience.

## 8. OUR RIGHT TO CANCEL YOUR HOLIDAY

8.1 MINIMUM NUMBER OF PARTICIPANTS REQUIRED: For our tours to operate, a minimum number of passengers must be met. If the minimum number is not reached, we reserve the right to cancel the tour. 11.1 EXCURSION AVAILABILITY: Not all optional or additional excursions listed may be available during your tour.

11.2 LIMITATIONS ON OUR LIABILITY: Our liability regarding any loss, damage, or injury you might suffer due to the holiday is limited under specific circumstances and governed by applicable international conventions.

While we will attempt to replace or repair the coach promptly, delays might occur due to uncontrollable reasons. We reserve the right to use a replacement coach to complete the journey, which may not offer the same amenities as the original coach.

## 12. LIABILITY

12.1 Star Tours will not be held responsible, under any circumstances, for the following situations involving the passenger or their co-traveller(s)

(a) Any issues arising from the loss or destruction of passports/travel documents before or during the tour, including any additional expenses incurred due to such events.

12.3 You are responsible for checking in for flights and coaches and presenting yourself at pre-booked attractions at the specified times while on holiday. Star Tours will not be liable for any missed flights due to late check-ins or late arrivals, and no credit or refunds will be issued for failing to utilise any component of your tour.

12.4 The hotels utilised may not feature amenities such as air-conditioning, fans, kettles and other services you may be accustomed to. While efforts are made to contract hotels offering these amenities, there is no guarantee. In the event of non-functioning or unavailable amenities, no compensation will be provided.

13.3 We aim to address complaints within 28 days; however, responses might be delayed due to investigations and waiting for feedback from suppliers or third parties. ## 14. PASSPORTS & VISAS

(b) TRAVEL DOCUMENTS: Passengers must ensure they secure all requisite travel documents before the start of the tour. Those possessing visas with Star Tours should note that visa acquisition cannot be guaranteed, as the embassies hold the final authority. If a passenger fails to secure necessary travel documents after confirming the tour, the cancellation policy outlined in these terms and conditions will apply.

(c) VISA SERVICE PROVISION: The visa assistance service is available at an extra fee, separate from the holiday package cost. Passengers must provide all documents in one go; incomplete submissions will not be accepted. Star Tours determines the visa application submission date and is not liable for consulate decisions or any loss/damage of documents during the process. Visa approvals are at the consulate's discretion. Ensuring the correct visa before travel is the passenger's responsibility. Failure to do so activates the cancellation policy noted in clause 5.1. Star Tours bears no responsibility for loss or damage to documents and passports during embassy procedures.

(d) In instances where Star Tours UK is managing your visa process and it is rejected, refused, or delayed by the consulate, cancellation charges will apply based on when the update is received prior to departure: an update received more than 10 days before departure will incur a 25% charge for coach tours and a 40% charge for flight & FIT tours; updates received within 10 days of departure will incur a 35% charge for coach tours and a 50% charge for flight & FIT tours. 14.3 DOCUMENTATION CHECK: (a) TRAVEL DOCUMENT VERIFICATION: Passengers must scrutinise all travel documents issued in conjunction with the booking as soon as they receive them. Inconsistencies should be reported within 24 hours of receipt to avoid responsibility for associated amendment costs.

(b) ADDITIONAL DOCUMENTATION REQUESTS: If passengers are handling visa procedures independently, they must inform Star Tours in advance regarding any extra documentation required, such as hotel confirmation on a letterhead. Allow a preparation period of 7 to 10 working days for issuing such documents.

(c) ADDITIONAL PASSPORT INFORMATION (API): Certain airlines mandate API, and failure to provide this might result in denied boarding with no compensation or refund available from Star Tours.
